

Camper Vans Liverpool Totally in Tango

1) If you would like to stay in the centre of Liverpool:

We suggest staying at Liverpool Marina which is right in the heart of Liverpool next to the Mersey at the docks and a great place to wander round nearby.

We believe it is £25 per night with access to showers and a £5 voucher for the bar.

2) Another option is Otterspool Drive carpark which is free and a quieter place than the centre of Liverpool, or if you don't want to drive into the centre. It's an 8 minute drive to the venue.

During the day:

There is no carpark at the venue -on street parking is free but not really suitable for camper vans, but you can park very nearby at Sefton Park -we suggest Croxteth Drive
